Online Workshop

**“Academic Proposal Writing Techniques (Social Sciences)”**

By

**Dr. Ayaz Ul Haq**

(Assistant Professor, Islamabad Business School, Quaid-e-Azam University, Islamabad)

**Workshop Objectives:**

An academic proposal is the first step in producing a thesis or major project. Its intent is to convince a supervisor or academic committee that the topic and approach are sound, so that the researcher gain approval to proceed with the actual research. In this session, the participants will learn how to write a good proposal, basic components of proposal, avoid general mistakes in the proposal etc.

This session will be more helpful for social sciences researchers however; sciences students can also participate to get general information about proposal writing. Therefore, the objective of this training is to provide a unique opportunity to learn how to write a good proposal.

**Introduction to the Trainer:**

Dr. Ayaz ul Haq is a corporate and academic trainer, with an exceptional experience of Data Analysis training sessions in more than 25 National and International Institutes. He has more than 14 years of diversified experience in Stock Exchange, Academia, Training and Research fields holding progressively more challenging positions from Trading Manager to Corporate Trainer. He has trained and taught several professionals and business students and many more have benefited from his workshops. He has expertise on many softwares like SPSS, AMOS, SmartPLS, E-Views, NVIVO, Telly and Peachtree.
