

International Turkic Academy and COMSTECH sign MoU at COMSTECH Secretariat on December 23 to strengthen cooperation and collaboration for the promotion of science & technology in OIC member states.

On the occasion of MoU signing ceremony, President of the Int'l Turkic Academy, Dr. Darkhan Kydyrali, appreciated COMSTECH for holding Al-Farabi forum successfully.

Dr. Kydyrali said that our relations are not only limited to the relations between institutions, we have great relationship between nations. He assured that on his return he will meet with the president of Kazakhstan to share these activities with him. He said we have signed many MoUs with different institutions of Pakistan. He said that he strongly believes that COMSTECH will play a strong role for further enhancing the Pak-Kazak relations.

Coordinator General COMSTECH, Prof. Dr. M. Iqbal Choudhary appreciated the organization of OIC Science Summit by Kazakhstan in 2017. He said that we will soon organize an international forum on Dr. Allama Muhammad Iqbal in collaboration with international Turkic Academy, Kazakhstan. Dr. Iqbal assured that we will be partner in these activities.

Both institutions have agreed to be engaged in various joint activities such as organizing forums on Al-Farabi, Allama Muhammad Iqbal, and Ulugh Beg Mirza and establishing Turkic Academy Library at COMSTECH and incorporating leading universities of Pakistan in the network of universities of International Turkic Academy.

The Turkic Academy was founded on 25 May 2010 at the Palace of Peace and Reconciliation in the capital of the Republic of Kazakhstan.
