

BIOGRAPHY

Professor Dr. Corina Joseph (Malaysian), graduated from Curtin University, Australia, is currently a Professor at the Faculty of Accountancy, Universiti Teknologi MARA Cawangan Sarawak, Malaysia. She is an Associate Member of the Malaysian Institute of Accountants and an Associate Fellow of the Accounting Research Institute, one of the Higher Institutions Centre of Excellence under the Ministry of Higher Education, Malaysia. Her research interests are in Corporate Social Responsibility (CSR) and Sustainability, Corporate Governance, Public Sector Accounting, and Financial Criminology. Corina is an advisory member of the Social Responsibility Asia (SR Asia) Global Certification Program for Professionals in Sustainability Reporting. She is currently the Co-Chief Editor of the International Journal of Service Management and Sustainability, one of the university's homegrown journals. She also serves as the Editorial Advisory Board Member of several Scopus and international refereed journals. Her works have been published in reputable journals, such as the Journal of Business Ethics and the Journal of Cleaner Production. She has received numerous national and international awards relating to her publication work throughout her 27 years of service in UiTM. Among the prestigious awards received are Emerald Literati Award (2013) for a journal article entitled 'International Initiatives influence on local government sustainability web-disclosures', published in Social Responsibility Journal (Scopus), and Emerald Literati Award (2018) for Outstanding Author's Contribution. Corina's expertise had been acknowledged and included in the World List of Sustainability Researchers compiled by the Inter-University Sustainable Development Research Programme (IUSDRP), Hochschule für Angewandte Wissenschaften Hamburg / Hamburg University of Applied Sciences - HAW Hamburg. Corina has contributed three chapters i.e. two from "SDG 4 - Quality Education" and one on "SDG 12 - Responsible Consumption and Production" in the 'Encyclopaedia of the UN Sustainable Development Goals: Transforming the World We Want' published by Springer and are associated with the "World Sustainability Series", consequently being a high impact, high visibility, peer-reviewed output. Corina is actively supervising both Master by Research and Doctorate students and playing a role as a mentor for local and international academicians in terms of research and publication. Corina has been invited as Keynote Speaker and Guest Speaker in Indonesia, South Korea and Malaysia. The Sarawak Government honoured her with the PPB (Meritorious Service Medal) for her significant contributions to the State of Sarawak.
