

About The Conference

20th International Conference on Frontiers of Information Technology (FIT'23) to be held from December 11 to 12, 2023 at Lahore, the cultural capital of Pakistan. The conference is annually organized with the principal aim to focus on modern trends pertaining to computer sciences, engineering, and other related areas.

FIT 2023 Tracks

1. Modeling & Simulation for Emerging Technologies
2. Signal Processing & Next Generation Communication Systems
3. Smart Grid, Energy & Electronics
4. Data Science & Advanced Analytics
5. Pattern Recognition, Image & Natural Language Processing
6. Adaptive Systems, Networks, IoT & Cloud Computing
7. Software Engineering
8. Network, Cyber & Information Security
9. Water Informatics and Communication Technology
10. Remote Health Monitoring and Prediction Systems
